Dear Nikki

I am writing to express my gratitude to yourself and your company for the excellent service you provide. Not only have you and your staff been extremely friendly and hardworking, but your willingness to help us out at short notice is highly commendable.

I would particular like to draw your attention to your nurses Jacque and Debbie who are not only fantastic dental nurses but also feel like part of the team when working here, due to their friendly and conscientious attitudes.

I look forward to a long and happy working relationship with us and yourselves.

Yours sincerely

Laura Ridge
Practice Manager
